### **DIRECTOR'S EXHAUST**

Greetings HOGsters,

The International Female Riders ride was fantastic, and great participation. Ten female riders with Quiet-one out front leading the way. That was a lot of fun, hope to see more rides like this in the future.

Please keep Dick and Gail in your prayers.

May is a very busy month, including The Run for the Wall coming to the Dealership 17 May. If you want to volunteer/help with the event there will be a sign up sheet in the lounge at the Dealership. They are trying to organize volunteers for this years event, so please sign up. It is our chance to get out and support our sponsor.

The Southwest National HOG Rally is coming to Albuquerque in Jun. We have three groups going up, one on Thursday, Friday and Saturday. Please check your email and the Chapter calendar for information and updates.

Thank you so much for your support with the points to miles change. You showed that getting the miles really is not that hard, and that they add up fast.

When you get a chance and you see one of our Chapter Officers, please take a moment and shake their hand or give them a pat on the back thanking them for all their volunteer hours they donate to the Chapter.

Thank you as the Chapter member for making this Chapter what it is today.

Hope you have a HOGtastic month

In the past 3-4 years there has been change in the Chapter. It's been great and reminds everyone that the Officers are volunteers and members should show appreciation. ## Easy luxury in our dinners

### Bacon Wrapped Chicken

Preheat an oven to 325 degrees F (165 degrees C)

### Ingredients

- 4 skinless, boneless chicken breast halves
  - ½ (8 ounce) package cream cheese sliced
  - 4 slices bacon (Applewood has really nice complimentary taste to the chicken)
  - 1 tsp chopped fresh chives
  - 1 (10.75 oz) can cream of chicken soup
  - ½ cup mayonnaise
  - ½ cup milk
  - 1 tsp lemon juice
  - ¼ tsp pepper
  - Pinch of salt
1. Pound the chicken breasts until flat. Put a slice of cream cheese and 1 teaspoon chopped chives in the middle of each breast and roll up. Wrap each rolled breast with 1 slice of bacon and secure with toothpicks. Place in a 9x13 inch baking dish.
  2. In a medium bowl, combine condensed soup, mayonnaise, milk, lemon juice, pepper and salt. Mix until smooth, then pour over chicken.
  3. Bake in the preheated oven for 1 hour, or until no longer pink and juices run clear.

## Become a Better Rider in 12 Steps

- PAY ATTENTION  
Thoughts drifting as you ride Park the bike, get a cup of coffee and get your mind right.
- RIDE A DIRT BIKE  
Nothing teaches you about traction and body position like a dirt bike. You will also learn what to do when you encounter water or sand on paved roads.
- RIDE BEHIND A BETTER RIDER  
Think you are good? Riding with someone better will show you jus how much you can still learn.
- COMPETE  
Nobody wants to finish last. Competition at any level makes you focus and try harder.
- LOOK FARTHER  
When we get tired or lazy, we look only a short distance in front of the bike. Lift your head and look ahead. In turns, look where you want the bike to go, through the turn not just the entrance.
- SIT RIGHT  
Motorcycles are a dynamic vehicles; your body position makes a tremendous difference in how they respond. Riding like a couch potato doesn't help.
- ADJUST YOUR CONTROLS  
Always check your controls, handlebars and footpegs.
- CLEAN AND MAINTAIN YOUR RIDE  
As you clean your bike, you can spot problems. Cleaning your bike makes you more aware of your machine's condition.
- RIDE IN THE RAIN  
Riding well in the rain makes you focus on traction, lean angle, steering input, braking and overall smoothness.
- RIDE ANOTHER BIKE  
It is easy to become complacent when riding the bike. A new machine makes you sharpen your focus and keeps you learning.
- BE SMOOTH  
Pick a day of the week and forget about everything else but being smooth. It will make you anticipate the road and all of your inputs and that builds your awareness.
- BRAKE HARD  
Don't wait for a panic stop to practice this one. In a safe area, practice hard stops using both front and rear brakes to stop quickly without locking up and skidding your tires.

Good safety tips, held over from last month.

# Kim's Corner

**This page is dedicated to our sponsor and will feature special events that are coming your way from Barnett's Las Cruces Harley-Davidson.**

Don't forget May 17, 2018 "Run For The Wall" will be coming through for its annual stop in Las Cruces. If you would like to volunteer to help us with greeting and parking the riders when they come in please stop by the dealership and sign up on the volunteer roster. Volunteers will be limited this year and will be chosen only from the volunteer sign up.

Our H-D 101 is up and running, and scheduled for June 2, 2018 4-6 pm. LOH will have a pre 101 airing of the events at 3 pm that day. Please come out invite any of your female friends that wonder what it is that lures you to ride. Bring them and show them.

Thank you again to the chapter officers for their volunteer time and to all our members that make this chapter great.

As always be safe and thank you to the chapter for all you do.

# Ladies Of Harley

A very warm thank you to all the women that showed up for the “Women’s International Ride” day. Jean (Quiet One) led a wonderful ride to Hatch after the chapter meeting. Ten lady riders and a group composing 18 bikes total, great showing of support for our lady riders.

Ladies come and join us June 2, 2018 at 3 pm at the dealership for H-D 101. Come see the new clothing line up Harley-Davidson has to offer for 2018. Learn how to pick up your motorcycle, God forbid it should ever go down. Even if you don’t drive, this is great knowledge to have, as it could be your (husband/significant other) you are having to lift the bike off in an emergency. Bring any female friends interested in knowing what you do on your Saturdays that gives you such a thrill. The “Jump Start” will be available to demo for them.

I will also be looking for 1 or 2 volunteers to man a recruiting table from 4-6 from the regular H-D 101.

#### NOTES:

# Notes From The Editor

Good weather is upon us at last (except for those windy days). Please if you have not already done so, get over to the dealership, talk to Lorrie back in the Finance Office, and get your bike mileage registered for the "Ride 365" program. Every mile counts and if all of our members were to sign up, we have a chance to at least take the chapter title for the state of New Mexico. So get your bike registered and get out there and ride, ride, ride.

Even though our weather is warm now, remember this is the Southwest and the weather can change at the drop of a hat, so be prepared and pack warm clothes if you're dressed for hot weather and cool clothing if your ride starts early and you dressed for the cool morning. Rain gear in your saddle bags isn't a bad idea either.

King Edward

Just a reminder to all, if you have recipes, ride stories, stories of any kind, pictures etc...

I need all entries for the newsletter no later than the Friday after the monthly meeting. The newsletter will be finalized and posted late evening on the Friday following the meeting so that it will be available to readers on the morning of the Saturday one week after the Chapter meeting.

Late submissions will not be posted.

Thank you for your help in "gettin er done".

King Edward

# Readers Rides

Proud of what you ride, we want to see it. Send in your favorite pic of your bike or recent rides that you have been on, and I will get them posted to the newsletter. Please include a brief description of the photo. (PS You get POINTS for this)
